

THE TIGER

- 1. A Wave for Friends—Cliban refugees waved to Cuban exiles on shore as their coast guard cutter approached Key West last fall. Such emotional scenes occurred frequently after Castro announced his "open door" policy, allowing certain groups of Cubans to leave his dictatorship.
- 2 Proneer in Space—Astronaut Edward White stepped from his Gemini IV space capsule and into the void of space last June. Maj James McDivitt, his companion on a 3½-day orbital flight, had to coax White back into the capsule after he had traveled 20 minutes suspended from Gemini IV. Gordon Cooper and Charles Conrad were the next space twins to orbit the earth. They completed their 8-day flight in Gemini V during August.
- **3** Medicare Bill Signed—President Johnson signed the Medicare Bill into law July 30 with former President Truman at his side. Witnessing the event that had far-reaching effects on Social Security benefits for the elderly were (left to right) Lady Bird Johnson, Vice President Humphrey and Bess Truman—The ceremony was held in Truman Library in Independence, Mo.
- 4 Temporari Mood—Dodgers Manager Walter Alston's mood of dejection after the Minnesota Twins won the sixth World Series game did not last long. The Dodgers emerged victorious in the 7th game and captured the pennant.
- 5 Double Space Spectacular—Astronauts Wally Schirra and Tom Stafford got this view of the Gemini 7 spaceship December 15 while traveling in their Gemini 6 craft for their historic rendezvous adventure. Schirra and Stafford rode their red-hot craft back to earth the following day, but Gemini 7 completed a 14-day mission before its re-entry. Making the longest and most significant voyage in space in Gemini 7 were Frank Borman and James Lovell, Jr.
- 6 Plea for Pence-Pope Paul VI stood before the United Nations General Assembly in New York on October 4 to deliver his plea for

world peace. His unprecedented, one-day visit in the U.S. was the culmination of plans by men of all faiths.

- **7** After Surgery—President Johnson was photographed in a recliming chair at Bethesda Naval Hospital the day after his gall bladder operation on October 8. He conducted the work of his office from his hospital room and his Texas ranch during his recuperation.
- **8** Proud Student—Charles Craig, 19-year-old freshman at lowa university, demonstrated his cruticism of draft-card burning incidents by displaying his draft-card on his jacket with the note: "I'm a draft card carrying American and proud of it" Our role in the Vietnamese war sparked the incidents.
- **9** Blackout. The glittering metropolis of New York City was thrust into darkness on November 9 by a massive power lailure affecting hundreds of miles along the eastern scaboard. City residents and commuters were stranded in offices, railroad and subway stations for hours before service was restored. The crippling condition was caused by a faulty relay at a Canadian generating station near Niagara Falls.
- 10 New Ambusvador—Arthur Goldberg was named U.S. Ambassador to the United Nations by the President after the death of Ambassador Adlai Stevenson on July 14 m London. Goldberg was secretary of labor under President Kennedy and a U.S. Supreme Court Justice when named to the U.N. post.
- 11 Startling Fashions—Bold and contrasting blocks of color were the youthful fashion note of 1965. The eve-catching designs even extended the length of campus stockings worn with the costumes.
- **12** Royalty on Four—Princess Margaret and her husband, Lord Snowdon, arrived in New York on November 4 for a whirlwind tour of the U.S. During their visit, they took time out for fun-filled activities such as a ride on a cable car in Frisco and gala parties in Hollywood and the nation's capital.

Foreword

HIGHER

He followed his dream, and men counted it madness:

He followed his dream up the mountain's steep side.

"See! here in the valley are music and gladness:

Why take the highway the hard way?" they cried.

At length, from above them we heard a

faint calling. His scorners turned quickly from feasting

and play
To look up to the mountain height, grim and appalling.

"The luck of a fool! -- he has treasure!" said they.

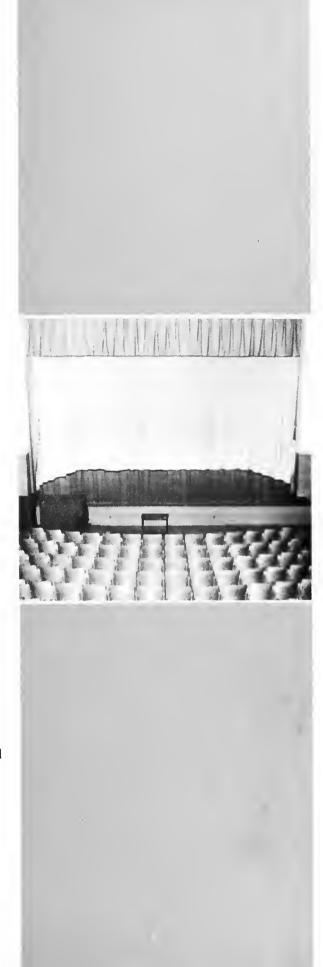

With ropes and with staves they toiled after, and found him

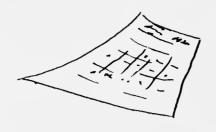

Midway of the mountain, his treasures outspread.

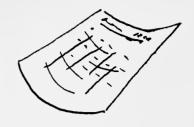

"Let us share them!" they clamored, Pressed rudely around him.

"Take all -- it is yours; I go higher," he said.

"TRIBUTES TO THE TEACHER"

"Apples" for the classroom teacher
Yes, red roses, orchids, too
For generous faithful service
Making ideals and dreams come true.
"Honors" for the dedicated teacher
Perfect understanding of the child,
Seeds sown for a great harvest
Causing life to be more worthwhile.
"Thank You's" for the master teacher
The human touch, the cherished memories,
For all of God's given talents
Building for life's eternity.

In this world of atomic power, more and more emphasis had necessarily been placed upon the mastery of mathematics. In keeping up-to-date Union Kempsville has expanded extensive mathematical curriculum. One is introduced to Algebra I and II, geometry, and Trigonometry. For the Student with other interest, courses in consumer's math and mechanical drawing are offered. With such a diversified curriculum, the interested student can be amply equipped to go on to more advanced studies in mathematics.

Ready to "Meet Todays Challenges"

The Girls Club

The Girls Club of Union Kempsville High School started the school year of 1965-66 with the topic of "Girl's Week" with their theme "Meeting Today's Challenges." During that week we were happy to say that we had two members from our club to take part in this great event. Sandra Lewis served on the Interracial Panel and Ann McCoy served as Mistress of Ceremony. Topics for discussion were: Religious Emphasis, Community Service and Citizenship, Arts and Craft, and Culture Announcement.

Objectives for observance were: (1) To direct the Attention of girls toward those factors which are important elements in their preparation, to bear the responsibilities of the future. (2) To let the girlhood of our race know that the community is interested in the welfare of each girl. This event took place at Queen Street Baptist Church of Norfolk.

During the fall season, we as members of the Girls Club, have had several activities!

During the Christmas season, the Girls Club was able to present a basket to an unfortunate family.

The club's goal is: To grow in friendship with people of all races, nationalities, and religions, to make a better impression on today's life.

The Bachelors

The Bachelors, a branch of the Future Teachers of America, are brothers to the Xinos. During the year, they sponsored a "Can-Can" Dance in order to collect goods for needy families.
